President's Report

Since the last CoM meeting, I have:

- Attended, in company with our Secretary, a second meeting with Eaglehawk CC (at Eaglehawk), at which the club evinced no interest in rejoining NDCA, but stated a preference to join GVCA. (I understand that GVCA is less than enthusiastic about this.)
- Accompanied Jim Saunders to a meeting at VCC with Leo Aiello of Commlec Services Pty Ltd regarding the court lighting. This is included as an item in today's agenda.
- Attended a breakfast hosted by the Chair of Vicsport which was attended by presidents of two other small sports and the Vicsport CEO.
- Attended a meeting of the GC Selection Committee.
- Whilst in Deniliquin (as TR of the ACA Handicap Doubles and Singles), conferred with the convenor of the ACA working group to discuss the possibilities of different membership categories.
- Visited Brimbank Council offices to view all building plans, permits and certificates pertaining to VCC held by the Council.
- Wrote letter to Pat Hopkins, MORwell CC, on 50 years of membership.

In the forthcoming month, I anticipate:

- Attending the Vicsport AGM;
- Giving a Governance and Meeting Procedure Presentation at Drysdale;
- Meeting with a Sports TV company to investigate possibilities
- Possible/probably conducting interviews, with Kate Patrick & Wayne Worlidge, of tenderers for our Development of Croquet Facilities project;

He is awaiting communication from VCA as to start date for these repairs. Quote attached Agenda Item 5.1.3

Uneven Concrete paths: Colonial Landscaping have suggested shaving trip hazard uneven paths rather than removing paths and filling with topsoil. Decision required as to progressing this solution.

MARKETING & PUBLICITY SUB-COMMITTEE REPORT

The brief of the Marketing and Publicity sub-committee is to promote the sport of croquet across Victoria. This report proposes two initiatives for consideration by CoM and provides updates on work in progress.

A. INITIATIVES

1. Encouraging members to attend to watch state championship events

In line with discussion at the last CoM meeting, we are proposing to write to clubs encouraging them to arrange for groups to attend at Cairnlea during the AC championships in late December and the GC championships in late January, booking via Eventbrite as with the Worlds.

If members do book to attend, it would be useful to have someone on the balcony providing commentary.

Any suggestions from CoM as to who might be approached for this?

2. Pitching to media outlets for a focus on the Fletcher family

We have reported previously that we have proposed a story on the Fletchers to the ABC program Australian Story. Nothing came of this.

We have discussed with Sarah O'Brien of Square One Publicity the possibility that Square One could take responsibility for pitching and coordinating a story to three possible programs: Australian Story, the 7.30 Report, and The Panel.

Square One would be prepared to undertake this work on an hourly basis.

COSTS

The initial pitch would be order of \$600 net of GST. In the event that one of the programs picked up the story, cost of follow up would be order of \$2000, up to about \$2400.

This could be funded from the video competition segment of the MandP budget which we are not actioning this financial year.

BENEFITS

Visibility on any of the programs mentioned would help change the image of croquet as a recreation for seniors to a sport attracting younger players, as per the Strategic Plan.

All three programs have national reach.

FOR DISCUSSION

B. UPDATES

1. "Croquet: Victorians Shine" posters

These have been provided to clubs via regions. They are designed to promote croquet as a sport.

2. New poster series

Cliff McCann of Ballarat Alexandra has begun work designing a series of posters for clubs to use to promote croquet at club level, to be released in the course of 2018.

We are exploring the possibility of collating these posters as a series in a Croquet Victoria calendar to be sold to members from July 2018, with scheduled tournaments pre-filled in the calendar section.

3. Promotional merchandise

As reported to previous meetings, we have been investigating options for branded merchandise. We are testing this concept with a branded ballpoint to be available in packs of 10 at \$20 plus p&h. Twenty orders will be required for break even.

4. Publication of croquet results in The Age online listings

The Age was proposing to review its approach to online listings in October.

We have written to the Sports Editor asking for an update on this. No response as yet.

5. Government House Open Day on Australia Day

We have confirmed with Government House that Croquet Victoria is expected to be

involved in this. Sarina has written to clubs and regions inviting nominations for the Croquet Vic team to attend on the day.

We expect to have a demo session at lunch time involving younger players, as in 2017.

6. Permission forms

We are still waiting on legal advice. We have followed up.

7. Active April

Clubs have been invited to indicate interest in participating in Active April.

GROWING CROQUET FACILITIES WORKING GROUP REPORT

BACKGROUND

The working group is tasked with managing the Growing Croquet Facilities infrastructure planning project.

Under this project, Croquet Victoria has been granted \$40,000 to prepare a ten-year plan 2020 - 2030 for the development of croquet facilities across the area of Croquet Victoria. The sports consultant undertaking the project is asked to:

- liaise with croquet regions, local government and other interested parties
- propose a hierarchy of facilities (regional, district, local)
- develop proposals for recruitment to support the viability of the facilities being proposed
- review and update the Croquet Facility Guide

Membership of the Working Party is Wayne Worlidge (Secretary), Kate Patrick (chair), and Jim Clement (ex officio), working with Kirsty Reidy/Josie Crea (Sport and Recreation Victoria) and Ben O'Brien (Sport and Recreation Victoria).

It is envisaged that the working party will be supported by a project reference group, to include working party members plus a representative of local government, a partner from the sports consultancy working on the project, and a nominee of another state sporting association which has already undertaken this planning exercise.

PROGRESS REPORT

1. Documentation

The GCFWP has finalised and submitted the two documents required by SRV under the contract:

- i. Project Brief for prospective consultants. This was based on the draft provided to Council in October.
- ii. Project Management Plan. This includes tasks, timelines and responsibilities, consistent with the Project Brief.

2. Recruitment and selection of a consultant

In October we phoned the consultants suggested by SRV. All but one were interested. They have all now been sent the Project Brief and invited to submit a proposal for the project. Closing date is 17 November.

Interviews, if required, have been scheduled to take place at Cairnlea on Thursday 14 December. The interview panel will consist of Kate Patrick, Wayne Worlidge, Jim Clement, and at least one representative of the SRV.

3. Involvement of regions and clubs

Club and regional involvement will be very important to this project.

An initial message requesting input has been sent to clubs and regions and has been submitted as an item to Malletsports.

A schedule of regional meetings has been prepared for use by the consultant.

4. Reference group

Ben O'Brien at SRV is seeking suggestions for the local authority representative.

Wayne and I are considering which sporting organisation to ask.
